

Liya jab se Meine Ye Naame Muhammad  
Bada lutf aaya Sawere Sawere

Ibaadat ka sauda andhere andhere  
Munaafa kamaaya Sawere Sawere

Andhere mein dil ke Charage Muhabbat  
Ye kis ne jalaaya Sawere Sawere

Aqidat ki manzil ka bas raaz ye hai  
Isha ke wuzu se ada ho Sahar bhi

Ibaadat ka sauda andhere andhere  
Munaafa kamaaya Sawere Sawere

Khuda ki qasam Ye hakeekat hai sehra  
Ke be-noor aankhon mein bhi noor chamka

Tere sabz gumbad ko Suraj ki kirnon  
Ne jab jagmagaaya Sawere Sawere

Khayale Madina mein nind aa gayi jab  
Karaar aa gaya be karari ko Meri

Kiye sabz gumbad ke Meine nazaare  
Bada lutf aaya Sawere Sawere

mein be chain dil ko liye aa raha tha  
sakoo mil gaya, dar pay anay se pehlay

chalo chal ke mango Mohammad ka sadqa  
ke jholi bhari hai saweray saweray

namazain parhay ja Azanai diye ja  
shab o roz sajdon pay sday kiye ja

namazain isi ki Azanai usi ki  
jis ne jagaya saweray saweray

Ibaadat kiye jaa Namazein pade ja  
Shabo Roz sajdon pe Sajde kiye ja

Ibaadat Usi ki Namazien Usi ki  
Jise Panjatan ka garaana mila hai

Madine ke Jalwe Madine ki raatein  
Hamein Aye Khudaya dikha jaldi jaldi

Tadapte hein Din raat jo huzuri ko  
Unhein Aye Khudaaya bula jaldi jaldi

Wo Roze ka manzar wo Mehrabo Mimbar  
Wo jannat ki kyari badi pyari pyari

Jahaan par lagi Mere aaqa ki taliyaan  
Wo galiyan Hamein bhi dikha jaldi jaldi

Jinhein sunke karte the Iftaro Sehri

Sabhi Maahe Ramzaan mein Usshake Nabawi

Jinhe sunke hota hai Ek kayf taari  
Hamein wo Azaanein suna jaldi jaldi

Qayamat ka ek din mu-ayyan hai lekin  
Hamaare liye har nafas hai qayamat

Madine se ham jaan nisaron ki doori  
Qayamat nahin hai to fir aur kya hai

Kahaan mein kahaan Ye madine ki galiyan  
Ye Qismat nahin hai to fir aur kya hai

Jahaan Roza e Paake Khairul wara hai  
Wo jannat nahin hai to fir aur kya hai

Muhammad ki azmat ko kya puchhte ho  
Wo Sahibe kaaba kausayn thehre

Sare Hashr aaqa ki mehmaan nawazi  
Ye azmat nahin hai to fir aur kya hai
